

- Условные обозначения
- граница проектирования
  - красные линии
  - исторические линии регулирования застройки (сохранившиеся исторические красные линии)
  - линии регулирования застройки
  - красные линии за границей проектирования
  - красные линии линейных объектов (технические линии инженерных сетей)
  - красные линии линейных объектов (технические линии инженерных сетей) - проектируемые
  - проектируемые здания
  - номер поворотной точки
  - место построения поперечного профиля

Ведомость координат поворотных точек
