

Условные обозначения

- граница проектирования
- красные линии
- исторические линии регулирования застройки (сохранившиеся исторические красные линии)
- линии регулирования застройки
- красные линии за границей проектирования
- красные линии линейных объектов (технические линии инженерных сетей)
- красные линии линейных объектов (технические линии инженерных сетей) - проектируемые
- проектируемые здания
- 25 - номер поворотной точки
- место построения поперечного профиля

Масштаб 1:2000

Ведомость координат поворотных точек красных линий
