

Условные обозначения:

- граница территории, в отношении которой разрабатывается проект планировки
- красные линии, фактически существующие, координатные
- красные линии за границей проектирования
- иные здания
- односторонние здания, учреждения по обслуживанию населения
- образовательные учреждения
- объекты инженерной инфраструктуры
- гаражи и стоянки
- склады и сараи
- участки под учреждения здравоохранения
- участки под объекты культуры, спорта
- участки под культурные сооружения
- проектируемые здания
- номер лабораторной точки
- сечение поперечного профиля

Ведомость координат поворотных точек красных линий, фактически существующих
